3. Introduce the Be Safe Online project
4. Setting the scene – what do we already know? What do our grown-ups know? What are the issues?
5. Action – What can we do?
6. Any other business
7. Closing Prayer

Minutes :

1. Layla signed the minutes as a true record.
2. There were no matters arising
3. We spoke about the 1-1 devices and how important it is that we stay safe online. Councillors were able to talk about the rules and expectations of the new devices.
4. We are going to plan a project devoted to promoting online safety. Councillors suggested names for the project. Safety Day. Be wise on the web, stay safe – stay happy,
5. We looked at the information in the ICT suite and thought of some activities that we could do to promote the project – see below
 - Create a drama about someone being bullied online and then telling their mum
 - Teach people about scammers
 - Write a quiz
 - Survey to find out what children access online, when they access it and for how long.
 - Online safety games
 - Create posters promoting online safety
 - Colouring pages about online safety
 - Make a graph to show the most popular thing to do online.
 - Look at different devices that can access the internet
 - Online safety word search
 - How to stay safe when you're researching things
 - Add to the online safety display in the ICT suite
 - Compose a song / learn a song about online safety
 - Maybe have a visiting speaker into school
6. Albert closed the meeting with a prayer.
