

Weekly homework Tasks (Tick when completed)

Weekly tasks:	Spelling: Complete 20 minutes on EdShed practising your spellings.	Reading: Read some of your book or your reading assignment to an adult at least three nights per week.	Maths: Complete 20 minutes on TTRockstars or Prodigy
Week 1			
Week 2			
Week 3			
Week 4			
Week 5			
Week 6			
Week 7			

It is expected that you complete this homework **every week** to support your cognitive development. Teachers will track your progress on the online portals. If you do not complete your weekly homework, you will need to complete it at break time.

Over this term we would also like you to choose a minimum of **2 different** activity tasks. We hope that this style of homework, will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Homework can be completed on paper, or photographic evidence can be submitted through the new homework file on Showbie. Any problems please let me know.

Art	Sustainability	Geography	Maths	PSHE	Cooking!
Go around home or garden and collect rubbings of 5 different textures (e.g. leaf, brick, cloth, wood). Create a mini "Texture Museum" page.	<u>Upcycle Challenge</u> Turn a piece of rubbish into something useful (pencil pot, bookmark, toy, etc).	Choose a food or a meal from another country, and find out where it comes from. Mark the country on a map. (I have maps to print or save to Showbie if you need one!)	Help measure ingredients for a recipe. Write down three fractions used ($\frac{1}{2}$ cup, $\frac{1}{4}$ tsp, etc.)	Create a small poster of three people who support them and how. This can be on paper or you can create a slide for Showbie.	Make a snack using three different colours of fruit or vegetables. Draw or describe it. Photos would be amazing!
