Wednesday 3<sup>rd</sup> September 2025

Dear Parents and Carers,

Welcome back! I hope that you and your family had a restful and enjoyable summer break. We are excited to start a new school year and have your children back with us, ready to learn and grow. This year in Year Four, your children will be taught by Miss Adams (Monday, Tuesday and Wednesday) and Miss Cheetham (Thursday and Friday). Your children will be supported in the classroom by Miss Jackson and Miss Place. We have many exciting plans to support your child's academic success and personal development. We look forward to working with you to achieve this.

For PE lessons this year, **we kindly request that children come to school wearing their school PE kits.** School PE kit consists of trainers, black or navy shorts/joggers (free from writing and other colours), and a plain white t-shirt. **Earrings must be removed at home before PE days.** PE days until October half-term will be **Tuesdays and Thursdays.**

For none PE days, one pair of plain studs may be worn. Please ensure that your child attends in correct school uniform. More details of this can be found in our uniform policy.

Hair that can be tied back, must be tied back at all times. Please use a navy or black hair bobble. Hair must be free from brightly coloured accessories. Only plain navy accessories such as bows are permitted, they must be of reasonable size (for example no Jojo bows). Please ensure uniform is labeled with your child's name to avoid lost property.

This term, your child will be learning:

English – creating setting and instructions

Maths – Place value, addition and subtraction

RE – Big Questions – Does God Exist?

Science – Living things and their habitats

Computing – Computer systems – the internet

PE – Archery and Quicksticks

French – Introducing myself

History – Ancient Egyptians

Geography – Rivers

PSHE – Being Me in My World

Music – Rock 'n' Roll

Art – Pencil Sketching

DT – Textiles – Sewing

This year we will have a big focus on times tables, ready for the statutory Multiplication Tables Check your children will sit in June.

We look forward to partnering with you to support your child's success. Please do not hesitate to contact us with any questions or concerns. You can contact us by visiting or phoning the school office, or by speaking to us at the end of the school day.

Kind regards,

Miss Adams and Miss Cheetham
