

RSHE: Information for Parents & Carers

Our Christian Vision for RSHE

At The Magdalen Church of England / Methodist School, we believe that, by teaching RSHE within a Christian context, we will enable our children to become **healthy, safe, respectful, and responsible** members of society.

We aim to support children to appreciate how they are growing and developing socially and personally, celebrating each individual within our caring school community.

Our Curriculum Approach

Inclusive & Age-Appropriate

Our school prides itself on delivering effective, age-appropriate Relationships Education that meets the needs of all our pupils within an inclusive and supportive learning environment, using carefully chosen, non-biased resources.

Skills for the Modern World

Our curriculum is taught by experienced and skilled teaching staff who are committed to preparing your child to live and learn safely in the modern world, negotiating the transition into increasing independence with the knowledge, values, and skills to make positive, healthy, and safe choices.

Framework & School Values

Jigsaw PSHE

Our school uses the **Jigsaw PSHE scheme**, a mindful and comprehensive programme that fully supports the teaching of Relationships and Health Education.

Goodness & Mercy

The Jigsaw scheme is mapped directly against the **'Goodness & Mercy'** resource, supporting RSHE delivery within Church of England and Methodist schools.

Magdalen Values

We ensure that our **Ten Magdalen Values** run through every aspect of our RSHE curriculum, guiding personal character and community life.

Parent Partnership & Feedback

We value the support of parents and carers within our curriculum and warmly welcome your views, reflections, and questions. If you have any comments or queries regarding our RSHE provision, please contact Mrs Orriss (RSHE Lead) via the school office.

Parent Comments & Questions:

If you would like to return written feedback or questions to the school office, please use the space below.
