

Family Learning

[Twenty years of family learning in Lincolnshire – Lincolnshire County Council](#)

We are proud to have been delivering Family Learning sessions at our school for over 20 years. It is in the DNA of our school and has improved outcomes for over 150 families.

At our 20 year celebration event, County councillor for Wainfleet, Cllr Wendy Bowkett, said:

"Over 150 families have benefited from the family learning program at this school alone, and I'm delighted that they continue to run the program here, providing great learning opportunities for the parents and children involved."

"I would like to say a big thank you to staff members from the school who have championed Family Learning, the tutors and all the families who have attended the program over the past 20 years."
