

**Our Heavenly Father,**

**We are thankful for our learning because it teaches us new and interesting ideas.**

**We are grateful that we can all be together after a, frustrating few years, of being separated.**

**The Doves are especially thankful for God the Father who created our wonderful world, God the Son who shows us, how to live in harmony and God the Holy Spirit who helps us to do the right thing and be honest.**

**Please help us to learn so we can become smart and intelligent, when we are grown up.**

**We would LOVE you to help us to use our Ten Magdalen Values and our British Values, which help us to show kindness, be safe and follow your example, everyday!**

**We ask this in your name.  
Amen**
