1. Opening Prayer
2. Photos for the Collective Worship Council board
3. Talk about the plans for the meeting- 2 working groups
 - Spirituality quotes for around the school for places where these could be displayed.
 - Reflection Area- begin to move things around- create a good space and begin to think of how we can use it.
4. Carol Service – Collective Worship Councillor to say a prayer
5. AOB
6. Closing prayer

Minutes :

- Emily opened the meeting with a prayer about salvation
- We looked at the website and our updated page on the website.
- Took photos for the website and CWC display in the hall.
- We talked about spirituality. The Councillors from the Doves class gave some examples of times when they feel they have had a spiritual moment as they'd discussed it in their RE lesson this week.
- We spoke briefly about the reflection area and the fact that we need to reorganise it so that it is more inviting and so that children understand what they are able to do if they visit the Reflection Area.
- We split into two working parties – one group went to the computer suite to find some inspirational, motivational, spiritual quotations that we could display around the school. The other group worked to rearrange furniture and tidy the reflection area.
- James said that he didn't feel comfortable to say a prayer during the carol service, but there were quite a few other volunteers!
- AOB – we ran out of time!!!!
- Ellie-May closed the meeting with a prayer of Thankfulness.
