Lilyrose, Jack, Emily

Agenda :

1. **Opening Prayer** – Noah opened the meeting with a prayer
2. **Spirituality – What do you think it is? Let's write some thought bubbles – draft and then write out in best for display** Councillors gave examples from this morning's Spirituality assembly. They had heard several children giving examples of times when they had felt spiritual and shared these in the meeting. James told us that his friend had said that she feels spiritual when she lights a candle and says a prayer. We looked again at the spirituality diagram showing the 'Within Us', 'Around Us' and 'Beyond Us', we then placed post-its of children's spiritual connections on the diagram in the appropriate place. The examples demonstrated that spirituality affects people in different ways – it's a personal experience.
We then wrote our own spiritual moments onto a thought bubble which will be displayed in the Reflection Area.
3. **Look at the DBE website** we looked at what is needed to apply for funding from the DBE to improve our Reflection Area. We briefly shared ideas about what we needed.
4. **AOB** Mrs Smith reminded councillors of their roles in setting up Collective Worship. Noah and Amelia need to build the cross with the cubes. Amelia R will help if they are struggling.
5. **Closing Prayer** – Amelia R closed the meeting with a prayer.
