

We have been learning these letter sounds and words this week. Please spend just a short time, a few times a week looking at these words and letters with your child, encouraging them to say the sounds that the letters make and to read the words. The aim is that they are able to look at, and say them, without any help.

Please feel free to cut them up into individual flashcards, make up games with them, keep them safe at home so that you build up a collection to practice at home as the weeks go by.

Thank you
