

Topic for the term – Why did the Romans Invade Britain? Science – Teeth

Over this term we would like you to choose a **minimum of 6** different activities below as your homework tasks. **Everyone must complete 6 tasks throughout the term.** We hope that by continuing with this style of homework, this will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. **Any children who do not complete at least one homework task per week, either at home or during homework club, will be spoken to and will be asked to stay in at playtimes to complete their tasks.**

Please ask parents, family members or friends to join in and have fun. As evidence is seen, we will tick off your tasks and record your choices. We are hoping by giving everyone a variety of choices, a selection of activities will be completed by pupils with support from family members.

RE Research how Muslims pray. Create a factfile showing this information.	Maths Collect data from friends and family about 'Our favourite pets'. Depict this onto a bar chart	History Use the template to create a Mosaic style picture - Templates will be in homework box	Science Create a weekly diary for each time you brush your teeth and remember to include how long you brush them for!	Reading: Read to an adult every night for a week. Keep a note in your reading journal of anything you read. Try and read different types of texts. What did you enjoy?
Art Recreate another of Hokusai's famous paintings	Grammar Log onto Rollama and complete the tasks set each week. This must be done every week to count as one piece of homework.	RE Try to sit with family during a mealtime and write a description of how it made you feel and what you liked about it.	Times Tables Practice your 8 times tables every night. Use a tables grid – time yourself and concentrate on any that slow you down. Use TT Rockstars to practise (Try and do 10 levels each week).	History The Romans loved to advertise, and they pasted posters all around their towns and cities. Imagine you have just opened a new public bath house. Design a poster to promote the baths and all its amenities (pleasant or useful features) to the town's residents.
Science Draw and label a diagram of the mouth and teeth	French My family – draw a picture of your family and label it using the correct French names	Maths Collect data based on 'Our favourite food'. Create a pictograph using the information.	PSHE Dreams and Goals! Write a list of your aspirations	English Choose your favourite book and write a book report
