

Topics for the term Geography Beside the Seaside - Science - Squash, Twist, Bend and Stretch

Over this term we would like you to choose a **minimum of 6** different activities below as your homework tasks. **Everyone must complete 6 tasks throughout the term.** We hope that by continuing with this style of homework, this will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. **Any children who do not complete at least one homework task per week, either at home or during homework club, will be spoken to and will be asked to stay in at playtimes to complete their tasks.** Please ask parents, family members or friends to join in and have fun. When each task is completed please email these or message me on ClassDojo: (You could set up a portfolio), or send them to me via Microsoft Teams. As evidence is seen, we will tick off your tasks and record your choices. We are hoping by giving everyone a variety of choices, a selection of activities will be completed by pupils with support from family members.

Geography/Art Collect a shell or something from the beach and sketch it using pencil, you could add colour and texture too. Remember to look at what you are drawing.	MATHS/English Complete the tasks set on Prodigy to practice what we are learning in class. Access via https://www.prodigygame.com Class Code 97EC88B	RE: Can you re-tell the Easter story? You could create a story map and record yourself re-telling the story.	Reading: Use Learning with Parents to log every time you read. You could do this with an adult. Or record yourself reading. If you still need a log in ask Ms Jones/Ms Baxter
Spelling: Log into Spelling shed and complete the challenges set. Spellings will be tested each Friday House points will be awarded!!!	Science Look around at home for things that can be bent, squashed, twisted and stretched. You can draw things, make a list, take photos or bring objects to school. What did you do to change their shape?	Handwriting Either log onto Letter-join and complete handwriting practice. OR Grab a handwriting sheet and practice your letter formation or joins or Spellings. (or all 3)	MATHS Log onto Numbots or TT Rockstars and practice your 2, 5 and 10 times tables. Can you beat your own time or challenge a friend?
