

Autumn Term Report

In the last two terms we were learning about parking and to park in the right place. We even made our own parking tickets. We also decided on the new Year 5 mini police. We had a vote for who we thought would be a responsible mini police officer. The whole of Year 5 and 6 took part in this vote.

We also took part in the Christmas card competition and Tilly-Mae won again! She won a framed photo of her card and an adorable German Shepard teddy.

We had many meetings with Jane. In those meetings we talked about things that we need to do for our school. We decided on a fair rota for outside duty. This meant that whoever was doing their duty that day would have to keep a lookout and make sure everyone is staying safe in the playground.

Year 6 Mini Police
