

# School Council Activities 2019-2020

## Recycling

At the last School Council meeting the children investigated recycling – they searched the library for relevant books before going to the computer suite to research how bottles are recycled and what we can make out of recycled plastic. We then took part in an online recycling quiz that we found on the CBBC website

## Remembrance Service 2019

The school council and Mini Police represented the school brilliantly on Sunday 10<sup>th</sup> November at the Remembrance Service at Wainfleet Methodist Chapel.

## Be Safe, Be Seen Campaign

The school councillors held a school assembly to promote the use of reflectors and bright clothing at night, so that children can be safe and be seen by motorists. They also sent a letter to parents, asking them to ensure that their child had some item of reflective clothing.
