Minutes

1. The minutes were accepted as a true record and Mrs Mills signed them in the absence of a Chair and Vice chair.
2. Mrs Mills has found the suitable paint - £4 per tin. We set ourselves a target of £35 to raise to cover the cost of the paint, sandpaper, masks etc. We decided to have a Book sale, charging 50p - £1 for a book. Councillors will donate any old books that they have at home. Set up in the hall. Councillors to write a letter and publicise their sale during choral worship.
3. We talked about helping the Church Shop – councillors were asked to go and look for the Church shop after school. Mrs Mills will talk to Mr Locke, PCSO Jayne and Father Gary to see if they have any ideas about how we can help the community.

AOB Gaia has left school to go to Alford Primary. It was decided that Charlie would take on the role as Chair person (Mrs Mills will talk to him next week). Councillors decided that Y6 should hold fresh elections for a replacement councillor. Once the new councillor is elected, we will hold a council election to appoint a new vice chair.

Phoebe said that she had been asked if we could set up a colouring table for play times or TT Rock Stars in ICT suite.

Alice asked if it would be possible to install blinds in the computer suite as sometimes the sun shines on the screens and makes it tricky to see the work on the computer.

Jacob closed the meeting with a prayer.
