

School Council 2017/2018

School Councillors 2017 - 2018

Nigel the Puma

After collecting £78.51 for Nigel the puma at Lincolnshire Wildlife Park, the school councillors went to visit him.

Remembrance Service 2017

The School Council taking part in the Remembrance service at Wainfleet

Rotary Button Collection

The School Council carried out their first duty on Thursday. They met Margaret and Norman from Skegness Rotary. They accepted a certificate from the Rotary Club. They listened as Margaret and Norman told them about local projects.

The councillors have started a 'Button Collection' project on behalf of the Rotary Club. All buttons collected will be used to make toys for children who have lost their toys in recent disasters overseas. The children were also told about the Rotary Club's mission to place defibrillators around the Skegness area. Our school will be hosting First Aid Training on behalf of the Rotary Club in the new year. We will be welcoming children from several local schools – it's going to be great!
