Minutes

1. Ruby read the minutes and they were accepted as a true record.
2. Ruby hasn't spoken to the Collective Worship Councillors yet – but she will try to do so after SATs. Miss Jackson has changed the Book Bank Display – Mrs Mills proposed a vote of thanks and this was unanimous. Mrs Mills has bought a new suggestion box – but has left it at home! We will complete the suggestion box at the next meeting.
3. Mrs Wood is organising a few children to help with the Royal British Legion service on 17th June. Letters will follow.
4. Mrs Shephard has made the PUMA letters for our 'Pennies for the Puma' appeal. Ethan is going to check that the Wildlife park are still collecting for Nigel, the puma. Councillors thought that the Wildlife Park may still like to receive our pennies for the other animals, even if they didn't need them for Nigel. The appeal will take place in June. Letters will be placed on the stage for children to place their pennies.
5. We discussed how important the Book Bank is and we wrote captions for the Book Bank display.
6. AOB
 - Brodie's markers in the library seem to be still going missing – ***councillors will talk to Mrs Spence, as she reads in the library with children.***
 - Councillors decided that Year 2 should hold elections for a replacement councillor now that Alicia has left. Mrs Mills has spoken to Miss Bolland.
 - Kimberley reported that some children have been silly with their cold packs at lunch time. Mrs Wood dealt with an incident today.
7. Brooke closed the meeting with a prayer.
