

The School Council

Date :4th November 2016

Council members present:-Stacey, Kimberley, Grace P, Jazmine, Logan, Orestas, Tilly-Mae, Leo & Scarlett

Apologies : Mr Smith, Grace R

Agenda :

1. The roles of the Chair, Secretary and Vice Chair will be discussed and Stacey, Logan and Jazmine will begin their jobs.
2. Look at the school's website – can we find the school council's page? Each councillor is asked to write a short paragraph about themselves – (no really personal details – remember this is going online!) Concentrate on your role as a councillor – what do you hope to achieve? What qualities do you think make a good councillor? What made you want to stand for election?
3. AOB
4. Closing prayer

1. Stacey and Jazmine both carried out their roles really well. Logan knows what to do if he needs to chair a meeting.
2. We went to the ICT suite to look at the school council page. Mrs Mills explained that we need to add to and improve the school council's webpage. Councillors each wrote a paragraph about themselves. *Mrs Mills will email these to Mrs Spence to see if she can add them to the school council page of the school's website.*
3. Councillors were given a note book in which to record 'council business'. *Councillors were asked to make notes about how the Book Bank is being used* between now and the next meeting. Councillors were also encouraged to decorate their notebook to personalise it.
4. AOB – Book Bank. Councillors told Mrs Mills that the Book Bank is being used really well. Several children are taking books home and bringing them back. Between now and the next school council meeting, *councillors were asked to borrow the reception iPad and take photos of children using the Book Bank so that we can improve and refresh the Book Bank display board.*
5. Mrs Mills closed the meeting with a prayer.
