

The School Council

Date :18th November 2016

Council members present:- Stacey, Scarlett, Jazmine, Grace, Kimberley,

Apologies : Mrs Mills

Agenda :

1. Jazmine will read the minutes of the last meeting – Stacey will sign them as a true record.
2. Any matters arising?
3. **The Book Bank** – at the last meeting, councillors were asked to use the reception iPad to take photos of children using the book bank so that we could update the board. So far, nobody has done this! We really need to update this display and tidy up the book Bank. There are new books in the box at the front of the school. *Let's spend some time, writing messages about the book bank that can be displayed, making posters, we could take photos of each other reading in the book bank – print them off and display them.*
4. AOB
5. Closing prayer

1. The minutes were accepted as a true record.
2. There were no matters arising.
3. Councillors discussed the Book Bank and went to the ICT suite to design and print some posters which will be used to update the display board near the Book Bank. Some councillors had taken photos of children using the Book Bank and these were printed as well.
4. Tilly-Mae closed the meeting with a prayer.
