

The School Council

Date : 27th May 2016

Council members present:- Courtney, Stacey, Grace, Ruby, Jake, Daniel & Lucy

Apologies : John, Mr Smith, Indi, Indie

Agenda :

1. Ruby will read the minutes of the last meeting
2. Matters arising
3. Suggestion box
4. Autism Fundraiser - write a short account of the day for Mrs Taylor of the Rotary Club. She's asked for some photos as well.

Notes:

1. The minutes were accepted as a true record and Jake signed them.
2. Matters arising - Mrs Mills had not invited Mrs Wood to attend today's meeting. She will invite Mrs Wood to come along to the next meeting - after half term. We are still not sure if Mr G Smith has spoken to Mr P Smith about air fresheners in the toilets.
3. Jake fetched the suggestion box. It contained one suggestion this week. The suggestion was that we take the playtime bag out at dinner times. Mrs Mills asked if there was enough equipment in the dinner trolleys. Jake thought that there wasn't but Courtney & Grace disagreed. It was decided to put it to a vote. The results were as follows ... enough equipment 4 votes. Not enough equipment 3 votes. We decided to keep the suggestion in the box and review it at the next meeting with Mrs Wood.
4. Mrs Mills told councillors that Margaret Taylor from the Rotary Club would like some information about our Autism Fundraiser that took place today. We raised £334.60! Councillors spent time in the ICT suite writing a recount of the day's events.
5. Courtney closed the meeting with a prayer.
