

The School Council

Date : 6th November 2015

Council members present:- Courtney, Grace, Stacey, Ruby, John, Indi, Jake, Daniel, Lucy

Apologies - Mr Smith, Indie

Agenda :

1. Ruby will read the minutes of the last meeting - if they are a true record - Indie will sign them.
2. **School Book Bank** - we need to talk about how this is working and tidy the shelves. Do we need to get a signing out book sorted?
3. School council display board - Councillors need to sign their name under their picture. We need to update the other smaller board - Councillors could write key questions on stars for example.
4. AOB - Remembrance Service

Notes:

1. The minutes were accepted as a true record. Jake signed them as he was chairing the meeting.
2. The school book bank is beginning to be used - Mrs Mills has taken photos of children using the books at playtimes. We tidied the shelves and each councillor wrote some key questions about the book bank for the small School Council Board.
3. Each school councillor wrote their name for their photo on the school council board.
4. Some councillors will attend the Remembrance Service on Sunday.
