

Family Learning 2018-2019

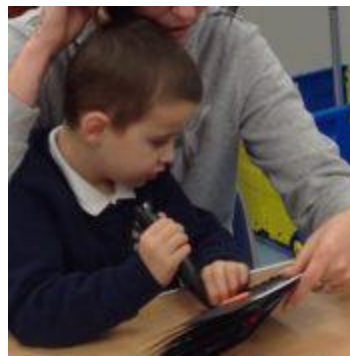

25th February 2019

It was our final Family Learning session this week. We thought about all of the activities that we have done over the past 10 weeks – we've been so busy. As the children thought of a memory, they added a link to their chain. Look at how long our chains became as we added lots of lovely, happy memories. Well done everybody, and thank you to Linda, our family learning tutor.

The children were sharing stories with their grown-ups and writing their own exciting tales too!

16th November 2018

We really enjoyed our first Family Learning session. The theme was 'adjectives' and we had to describe ourselves – some of us were cheeky, some were kind, others were happy. We made paper plate faces that looked just like us!
