11<sup>th</sup> September 2020

Dear Parents,

## School Dinners

Your child has brought home their first school dinner menu today. **All children in reception, Year 1 and Year 2 are entitled to a free school meal each day.** We are very fortunate in our school that all of our meals are prepared daily, in our school kitchen, by Mr Haynes, Laura and Steph, using fresh ingredients bought locally. It is our hope that the majority of the children in our school will eat school dinners – which are planned and cooked in line with the Government's School Food Plan.

**Please look through your menu with your child** so that they know what they will be eating! You will see that we offer 2 options each day. Please tick which option you wish to order for your child. You will see that we have given you 2 copies of the menu – one is for you to return to school by the date shown (please hand it to Mrs Linkman, **make sure you have written your child's name on their menu**) and the other is for you to keep so that you can keep track of what you have ordered and remind your child what they will be eating each day. If your child will be having a packed lunch on a particular day, please write a 'P' in the box. In line with our 'Healthy Schools' status, all packed lunches need to contain healthy food – no sweets, chocolate, fizzy drinks etc.

Yours Sincerely,

Mrs A. Mills

**Please return this menu to school by Tuesday 15<sup>th</sup> September at the latest**
