

Always building friendships with one another, whilst being thankful for what we have.

## The Doves Class Prayer

Dear Lord,

Thank you for guiding us out of trouble so that we can learn lots through the day.

We are grateful for our food and water in school.

Help us to catch up with the learning we have missed over lockdown.

We love our school because it's a perfect place to learn and make new friends.

Please guide us to write beautifully and complete our school tasks.

Show us how to make good choices, to be kind and respectful to others.

Amen

while trying hard each and every day to trust other people around us through humility and service.

Remembering to forgive when we have been wronged and hoping to help others less fortunate than ourselves.

Determined to show compassion for those around us and develop a community that embraces justice and peace.
