Dear Parents/Carers,

It's so nice to be back at school as we continue with Spring term 2. Thank you and well done for all the online lessons that the children partook in and completed work. We are looking forward to an exciting term of learning again in Year 2. This is what year two will be learning this term:

### Geography

Our theme and key question this term is Animal Magic, Is it hot or cold? We will be looking at the world, focusing on countries, continents and the equator. We will look at hot and cold places, their features and animals that live there. We will also be making habitats.

### English

We will be looking at a variety of stories including 'Here We Are' discussing our world and continuing with our spelling, punctuation and grammar lessons.

### Maths

In Maths we will be looking at addition and subtraction calculations, place value, number bonds to 20, multiplications x2, x5, x10 and properties of shape.

### Science

In Science, our topic is Young Gardeners and we will be learning about different plants and functions of a plant.

### PE

PE will be on Thursday and Friday. We will be doing jumping and skipping on a Thursday and Mulitskills on Friday's. Just a reminder that children should wear a white t-shirt and navy or black shorts for indoor lessons and jogging bottoms, sweatshirt and trainers for outdoor games. Please remember that earrings should be taken out on PE days and that if your child has studs that remain in they should be covered with tape before they come to school.

## RE

In RE our topic is Thankfulness.

## Homework

The children have also been given a grid with different activities for this term on Class dojo. We hope that the children will choose a minimum of 6 activities for the half term but obviously if they do more that would be wonderful! Please email photos to [Kimberley.bolland@magdalen.lincs.sch.uk](mailto:Kimberley.bolland@magdalen.lincs.sch.uk) or post on Class Dojo.

Yours sincerely,

Miss Bolland  
(Class teacher)

Mrs Evensen  
(H.L.T.A)

Mrs Grace  
(T.A)
