Wednesday 19<sup>th</sup> 2021

Dear Parents / Carers,

I would just like to take this opportunity to thank you for your continued support, co-operation and understanding, during this current period of time. We really do appreciate everything that you are doing, to make the current process run as smoothly as they possibly can.

If I could just ask that we please try to ensure, all pupils arrive at school 'on time' and within their nominated time slot, to ensure that they have the best possible start to their school day and to ensure that they can maximise their available learning time. If pupils arrive late this can have a detrimental impact to their learning, meaning that they are missing out on key starting points for that particular day or topic.

Could I also please ask that we are all considerate when parking in the car park at the beginning and end of the day. We are lucky that we have a large car park, but obviously the number of spaces available at any one time are limited. If I could also ask all drivers to be mindful of where the disabled bays are located and to please ensure that we do not obstruct or block these bays, as it is very important that we can access these at all times. Finally if we could please also try to stay within the marked parking bays around the car park in order to not block any other drivers entering or exiting the carpark.

Your understanding in these matters is greatly appreciated.

Yours Sincerely

Mr. Smith
