8th June 2021

Dear Parents,

I am delighted that your child has been offered a place at our school from September and I am really looking forward to working with you, and your family. Our aim is to work, in partnership with you, to provide the best possible start to your child's schooling. Due to the continuing pandemic and the associated restrictions, things are a little different in school at the moment, but I would like to reassure you that everyone at school is working hard to ensure that everything is in place for your child's time at school to start – safely and happily. Please keep an eye on our school website (www.magdalenwainfleet.co.uk) as this should give you all of the information that you need, simply go to the 'New Intake September 2021' tab at the top of the home page. We've put a virtual tour of the classroom school website as well as information about school uniform. If you have any specific queries, please feel free to email me at anita.mills@magdalen.lincs.sch.uk and I will try my best to help.

This 'New Intake Pack' contains relevant information, as well as the forms that we require you to complete before your child starts school.

Your child's first day at school will be Monday 6th September
On your child's first day at school, please bring the completed admission form
and your child's birth certificate so that they can be registered.
If you cannot find your child's birth certificate, you could bring their NHS medical card.

We would really like to get to know you, and especially your child, before September to make sure that we can offer the best provision possible once they join our school community. We would love to talk to you, and your child via 'Zoom' or over the telephone. If you would like a 'Meet the Teacher' meeting via Zoom, in early July, please email me (anita.mills@magdalen.lincs.sch.uk) and we'll set it up! Similarly, email me with your phone number if you would prefer a chat over the telephone and I'll be in touch.

These are unprecedented times, and we are all finding ways to adapt – starting school is no different! Together, I am certain that we can make sure that your child has a smooth transition into school life – ready to have loads of fun, make friends and learn lots and lots!

Yours Sincerely,

Mrs Anita Mills
Reception Class Teacher and Head of School
